I'm so glad you and I became friends this year. It has been so fun. I think even though not many of our relationships with guys lasted long we still had loads of fun chasing them. That was so fun when we first had crushes on Warren, Kirk & Richard. Wasn't that funny when we stole that Kirk sign out of that lady's yard & we couldn't fit it in the car so we had to drive down the road with my door hanging wide open & you were hanging out the door. Or when we made those signs for them & we snuck around putting them in their yards. I got stuck in the window of my car & fell on the horn & that man came to the window and yelled at us. Then when we were at Richards you hit me with the hammer & about killed my hand. Boy! I didn't realize baseball could be so fun. Speaking of baseball what about our "22" Southwestern players. Weren't they a real kill. Mark & Gene with the push button machine. They were so good looking. But I still liked Remy-Sexy. Red & Ted were trying to take advantage of me. HA! HA! So bad they didn't get a piece of my "Ramblin Rose!" Or old'a broke his nose! [I'm so sure!!!] HA! HA! and then there's the time when we had the entire Grove county Sheriff's department out looking for us. We about bit the bullet then. I can't wait till you & I go back to Grove and Muskegee again this summer! Will have even more fun. [Lance & Freddie] Just writing about it makes me want to sing. . . . "I don't smoke marijuana in Muskegee. . . . I get my thrills off drinking beer. . . . or maybe you remember this one. . . Mr. Sandman ~~please~~ bring me a dream. . . make him the cutest that slave ever seen. . . Doo da. . . Doo da. . . (HA! HA!) Well I better quit.

## DIRECTIONS

Directions. Many of us hear, see and use this word everyday. But have any of us really stopped to think how important this word really is to our lives?

As our high school days draw to a close we are about to make one of the biggest decisions we will ever make: "Which direction will we take?" Some of us will further our educations by going to college, working toward a career, and developing our skills. Others of us will seek jobs and move out on our own, and some of us will take time off and relax a year before we make up our minds on what we want in the future.

But no matter what direction we choose, we should take the time to think about it, as it will alter the rest of our lives. Any mistakes we make can take us in the wrong direction. If we learn from our mistakes, it will help us choose the right direction. We should take our time, think, do what we want and point ourselves in the right direction.

The pom pon girls and banner girls helped promote enthusiasm at the games and pep assemblies.

The pom pon squad is made up of 35 girls who perform drill routines during half time at games.

"The girls prepared themselves for this year's hard work by attending a dance clinic given by Kansas University cheerleaders and yel leaders," said senior Kendra Goodwin, head pom pon girl.

The girls competed for ribbons and won a spirit stick for showing an outstanding amount of spirit.

The banner girls' responsibility is to support the minor sports. Besides showing spirit towards the teams, the girls also held a rock-a-thon, made banners for the halls, and held breakfasts for the athletes.

# YEARBOOK STAFF CHANGES STYLE

The Hootbeats staff was comprised of all girls, a change from previous years. The girls spent seven months organizing and preparing the yearbook, by making lay-outs, taking pictures, writing copy, and organizing it into the only spring delivered high school yearbook in Wichita.

"The staff has done something a little different this year," said Editor-in-Chief, Laura Baker. "They used many new graphic arts to add to the appearance, hoping that this would be one of our better books."

Comprising this year's staff were Laura Baker, Editor-in Chief, Cindy Beal, Sports Editor; Vivian Enriquez, Sophomore Class, Lisa Gillette, Senior Class; Adrienne Katz, Clubs and Specialties Editor; Cindy Wheaton, Faculty Editor, Lori Patton, Senior Summaries Editor and Index Editor, Jackie Dreher, Typist; Darla Bogart and Sally Dunne, Photographers, M. # STAMPEDIE INFORMS STUDENTS

The Stampede staff was kept busy throughout the year, keeping the student body informed with the happenings of the school year. Each member of the staff had his own job and was responsible for having the work done by each two-week deadline.

The paper usually has six or eight pages, and on holidays the staff does a little extra to add to the spirit of the holiday and put together a larger than usual paper.

"This year's newspaper staff is very cooperative, and it has some of the best reporters it has ever had," said senior David Mitchell, editor.

Senior Cyndi Foster, Advertising Manager, is caught by surprise.

# GROUP 'ADDS SPARKLE'

Madrigals kept busy this year, especially during the Christmas season. They performed in several Christmas concerts, one being with the Wichita Symphony, in which they sang the closing song " 'Twas the Night Before Christmas." During the Christmas season the Madrigals also went Christmas caroling and sang at numerous Christmas parties.

The Madrigals performed at several other places, some of which were the grand opening of the Union Station downtown, business parties, churches, and nursing homes.

"Madrigals are different from any of the other groups; we add an extra sparkle to our music through choreography and facial expressions," said Jean Fulghum, senior.

## GROUPS KEEP BUSY

Choraleers and Junior Misses were kept busy, especially with their many Christmas performances. Choraleers and Junior Misses, along with Madrigals, presented "Christmas Vespers" in the CAC Little Theatre at Wichita State University.

Other Choraleer performances included the Family Holiday Concert with the Wichita Symphony, in which the Choraleers and the Sophomore Choir, along with Kensler Crusader Choir, opened the program with numbers from "A Christmas Cantata". They also presented the annual Fall Concert on November 11.

Some of the Junior Misses' performances were at churches and nursing homes around the city as well as at various Wichita schools.

## CHOIR DIVIDES

Something a little different was tried in the Fine Arts Department this year. The Sophomore Choir was divided into separate classes, one for the boys and one for the girls, though they performed separately as well as together.

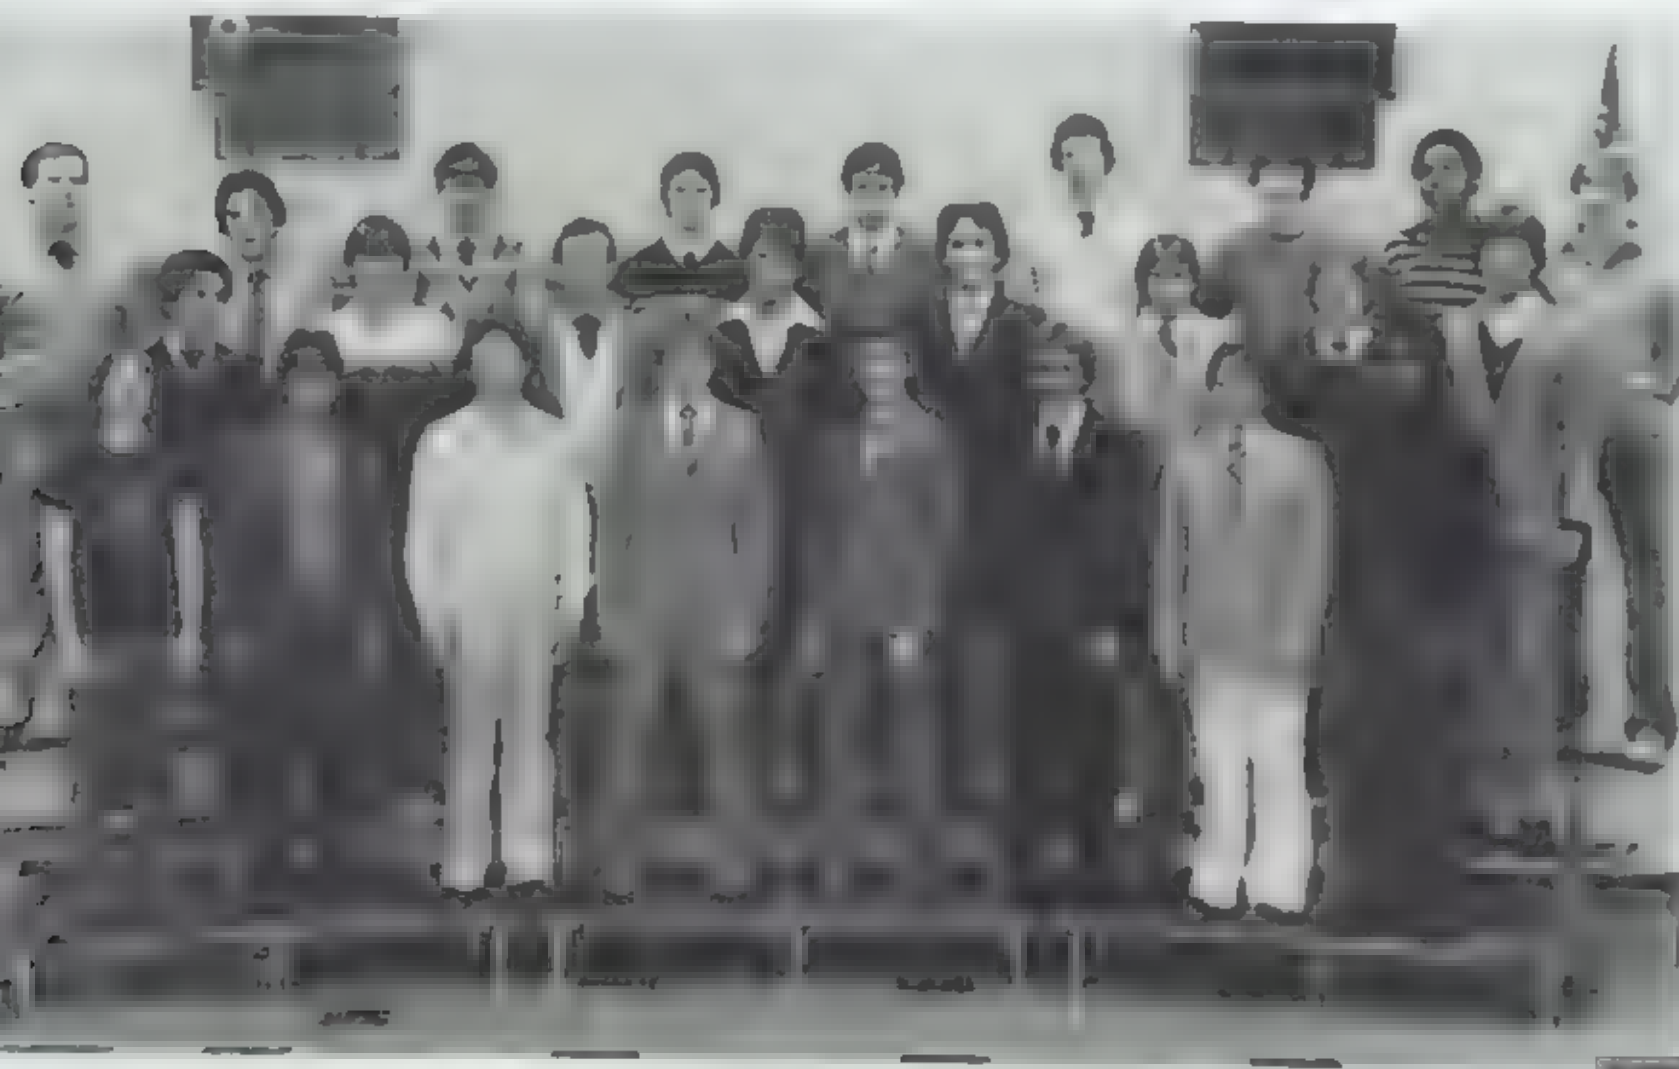

"The purpose for splitting the class was to allow for specialized instruction," said Robert Krier, vocal music teacher. Some of the performances included the Family Holiday Concert with the Wichita Symphony and local school concerts.

# GROUPS PERFORM VARIETY

The Marching Band participates in many activities throughout the year. During football season it marches at all home games, before kick-off and at half time. The band also plays the fight song after each Southeast touchdown is made.

Some of the band members also play in the pep band. They perform at all pep assemblies and basketball games.

When football season is over, the band performs in concerts and competes in city and state instrumental contests.

Steve Luttrell, instrumental music director, said, "The band tries to provide instrumental students with as wide a range of musical experience possible." Referring to his ten years at Southeast, he said this is the "best Marching Band since I've been here."

Another instrumental music group, the orchestra, performs in concerts all year and in city and state contests toward the end of the year.

Luttrell said it also accompanies some musicals and vocal concerts at Southeast.

Some of the orchestra members were chosen to play in the Honors String Orchestra at the University of Missouri in Kansas City in November. The Orchestra consisted of 206 strings, all of which were top players from Iowa, Nebraska, Missouri and Kansas. After a day-long practice, the orchestra performed for UMKC students. Senior Mae Mae Magelli said, "I think we did really well."

Todd Brunner, junior, plays the trumpet during half-time.

The pep band performed in pep assemblies, and at home games for both football and basketball.

# 'PLAZA SUITE'

On December 4, 5, and 6, the Drama Department presented Neil Simon's comedy "Plaza Suite." The play was set in New York City in one room of the Plaza Hotel. It consisted of three acts, each with different couples and in different times of a year.

"I've never worked with a better group of people," said stage manager senior Shanna Lieurance.

Another facet of the Drama Department was a new organization called the Bobs.

"An Honorary Bob is someone who can find humor in any thing," said senior Jean Fulghum. "It's a person who's just fun to be around and leaves you laughing." The Bobs were Monica Vaughn, Mickey Doms, Spencer McCurry and Jeff Schlueter, and Honorary Bob Mike Downs.

Tom Frye, drama teacher, said, "After three years, the educational program in drama at Southeast has grown to become the largest and most complete in the state."

# CLUBS SUPPORT EVENTS

One of the most important events for the language clubs was the Foreign Language Banquet. The banquet is an annual gathering of all the members associated with one of the language clubs. Each participant is asked to bring a dish or pastry that is traditional to the country of which he is learning the language.

"The French Club's main purpose was to promote an interest in the French language and culture," said Senior Cyndi Foster, French Club president.

The group met twice a month to organize such activities as the purchasing of T-shirts, eating at a French restaurant, singing French Christmas carols, and learning the differences between the American and French way of life. In the spring, the club will participate in a poem reciting contest and will be judged according to their pronunciation and form.

The German Club sponsored several activities such as an initiation dinner for the new members of the German Club, the selling of German and Swiss candy, German Christmas caroling, and a tree decorating party. One of the most important activities is the October-fest. It is a folk festival in which the club members sing and dance to German songs and eat German foods.

The Spanish Club participated in other activities, such as candy sales and a poem reciting competition that was judged on pronunciation.

The Latin Club held many activities this year, such as fund raisers and participation in the Foreign Language Banquet.

# NFL, FHA, AND HERO

The National Forensics League, sponsored by Wayne Avery, promotes excellence in speech and debate. It is a nationwide organization made up of debate and forensics students. Debate, taken first semester, is the competition of individual teams having two persons to a team. The second semester course, forensics, is the competition in individual speech and drama. The West Kansas NFL, of which Southeast is a member, ranks eighth in the nation in number of members. The debate team, which is the biggest its been in Avery's three years at SE, has won 270 debates and lost 140 so far this year Avery said, "I think we have a good chance for state." The forensics team is hoping to go to the national tournament this June in Salt Lake City. Overall, Avery feels this has been an "excellent year"

The main purpose of the Future Homemakers of America, a class taught by Doris Mayhew, is to learn leadership. Mayhew called the FHA a "development of self" class. The students work together, assuming almost total responsibility for the projects they plan. These projects are done for others instead of for themselves. The students elect their own officers and meet twice a month for one semester

HERO, a cooperative education class taught by Colleen Haehn, is open to students interested in home economic related careers. The students go to class for half a day and work for the other half, receiving credit for both. They work in food, clothing, custodial service, interior design, and child or adult care. The students conduct fund-raising events and community projects throughout the year. At the end of the year they take an educational field trip to Dallas or Kansas City. This spring, HERO will have an Easter party for the children at the Institute of Logopedics.

# STUDENTS WORK IN DECA, OE

Senior Kim Minugh answers the questions in her book.

The Distributive Education Club opened the D.E.C.A. General Store with a debt of \$200. The store sold school supplies, candy, and spirit items such as mugs, hats, etc. However, the \$200 debt was accrued last year when the mugs did not sell well. D.E.C.A. teacher, Bruce Potter, said the debt was taken care of halfway through the year.

The club also sold cheese to raise funds for members to go to the D.E.C.A. Regional Contest. The goal was \$400, but it was passed by about \$100.

Coupon books were also sold to raise money for the club.

The Office Education Club was presented with a plaque from Kirk Miles, Kansas director of the Special Olympics, for its contributions to Special Olympics. Over \$400 was collected from the annual Rock-a-Thon as a donation for the Olympics. Senior Cindy Ward, OE president, was selected Vice-President of the Kansas Office Education Association at the annual Fall Delegate Assembly in Hutchinson.

The club also sponsored a needy family throughout the school year.

# ACTIVITIES VARY

The Foreign Students Club went to Cowtown and the Indian Center to see things they had never seen before. The club also planned to go to the Wichita Art Museum. The club met every other Wednesday during the school year.

The Chess Club has won the state chess title three years in a row, and hoped for number four this year. "Southeast has never lost a tournament since I've been here,"

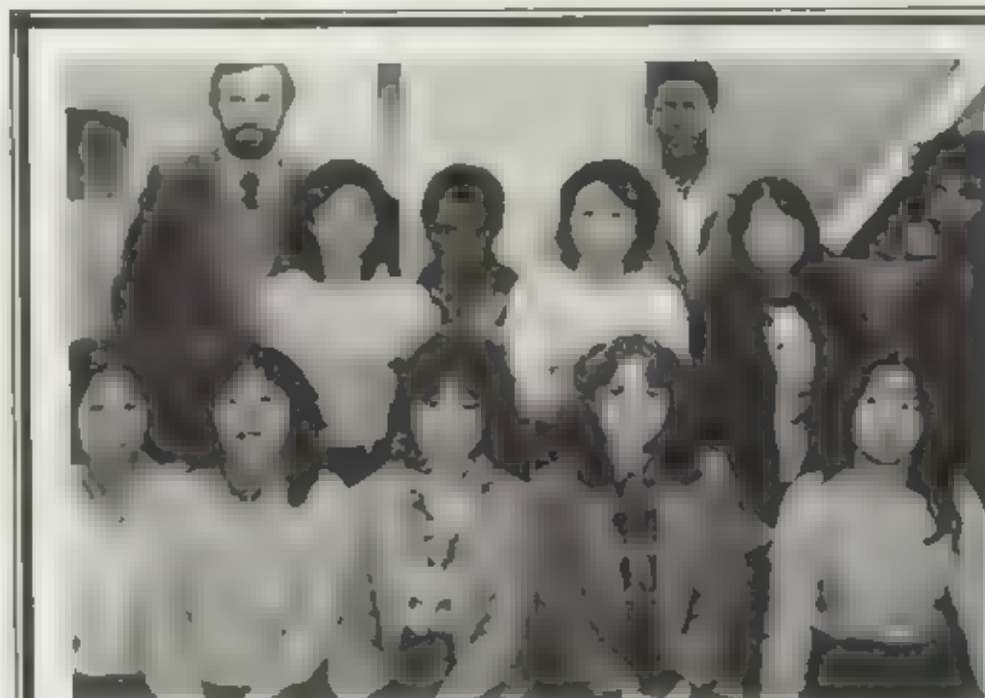

club president senior Tim Murphy said.

Murphy is ranked number one out of about 30 Southeast players on the challenge ladder. The top five ranked members are all returners from last year's championship team, and all are seniors. They are: Tim Murphy, Tod Wolf, Mike Goldschmidt, Bruce Holland, and Lloyd Edwards.

James Madden, sponsor of the club for the past three years, indicated that some of the more inexperienced players would have trouble in the tournaments. Few of the younger members have played with a time clock, or knew how to notate each move, both of which are mandatory at the state tournament.

# CLASSES

The seniors in the class of '81 have made this a great year in many ways. Their actions and attitudes have set precedents for future classes to follow. Though the year has gone by fast, the seniors of the class of '81 have been pace setters not only in the classroom, but in extracurricular activities as well. One of the best things about our class is that after we work hard, we know how to have a good time. There have been many close friendships made at Southeast that I know will never be forgotten. As we leave Southeast there is definitely a note of sadness, however, there is also excitement for what is to come. The class of '81 has continued to uphold the great tradition that has been developed at Southeast High. With many great accomplishments behind us, we leave now prepared for the future.

# SENIOR MOVIES

I feel the Junior Class has the strength, talent and a determination to be one of the best classes to ever go through Southeast. This can be proven during our year at Southeast and I feel we have the potential to do it. These years can be memorable and fulfilling if we stick together and do things as a class rather than individually. The class of 1991 will be remembered for its accomplishments as a unity rather than its failure to do so.

To be a great team, not just a good class, we need to set goals individually and as a team. Once these goals are set, we need to strive our hardest to meet them.

Last, but not least, we need to support our Student Council and administration so that we can make Southeast the best it can possibly be.

## TAKE TIME-OUT

I like people- ~~talking to them~~, being with them, and helping them. I feel we all need someone to talk to and someone to believe in us. So many times I have heard people say, "If I only had someone to listen to my problem, I would feel a whole lot better."

Well, I try to be that someone, that person you know you can always come to when all else fails. I don't claim to have all the answers, but maybe together we can find them.

There's a poem that I wrote several years ago that seems to capture my entire philosophy about life, and it is as follows:

There's no illness enough love won't cure,  
No great wrong enough love won't forgive,  
No wall enough love won't bring down,  
No problem enough love won't solve,  
No hurt enough love won't mend,  
No war enough love won't end,  
Only, only if we had enough love to give.

## BUFFALOES TAKE STATE

The Buffs took state again for the fourth time in five years after defeating SM Northwest 21-12. It also marked the third time in playoff competition that the Buffs had defeated SM Northwest.

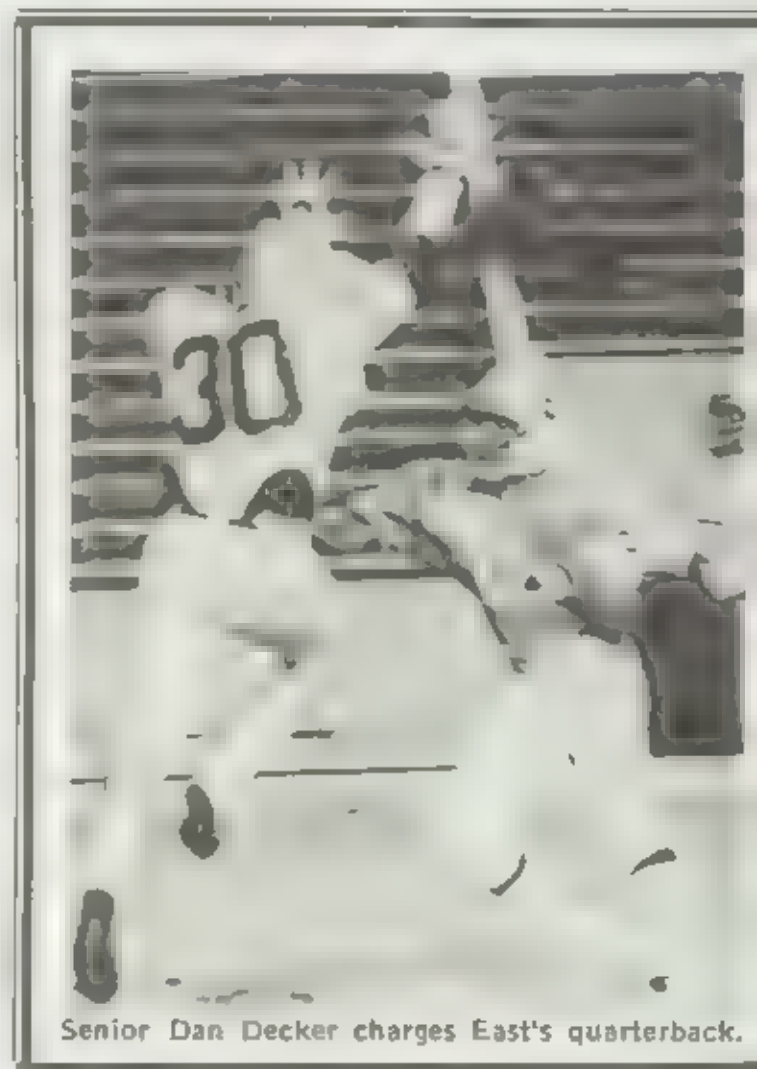

The Buffs finished with a record of 11-1, only losing to East 27-24 during the regular season. That loss forced SE to share the City title with the Aces.

There were nine players named to the All-City first team. Eric Bowen, Rick Hilts, Britt Hopper, Garret Hotmar, Randy Lebaron, Jeff Long, Dion Noblitt, Perry Payne and Rick Tucker.

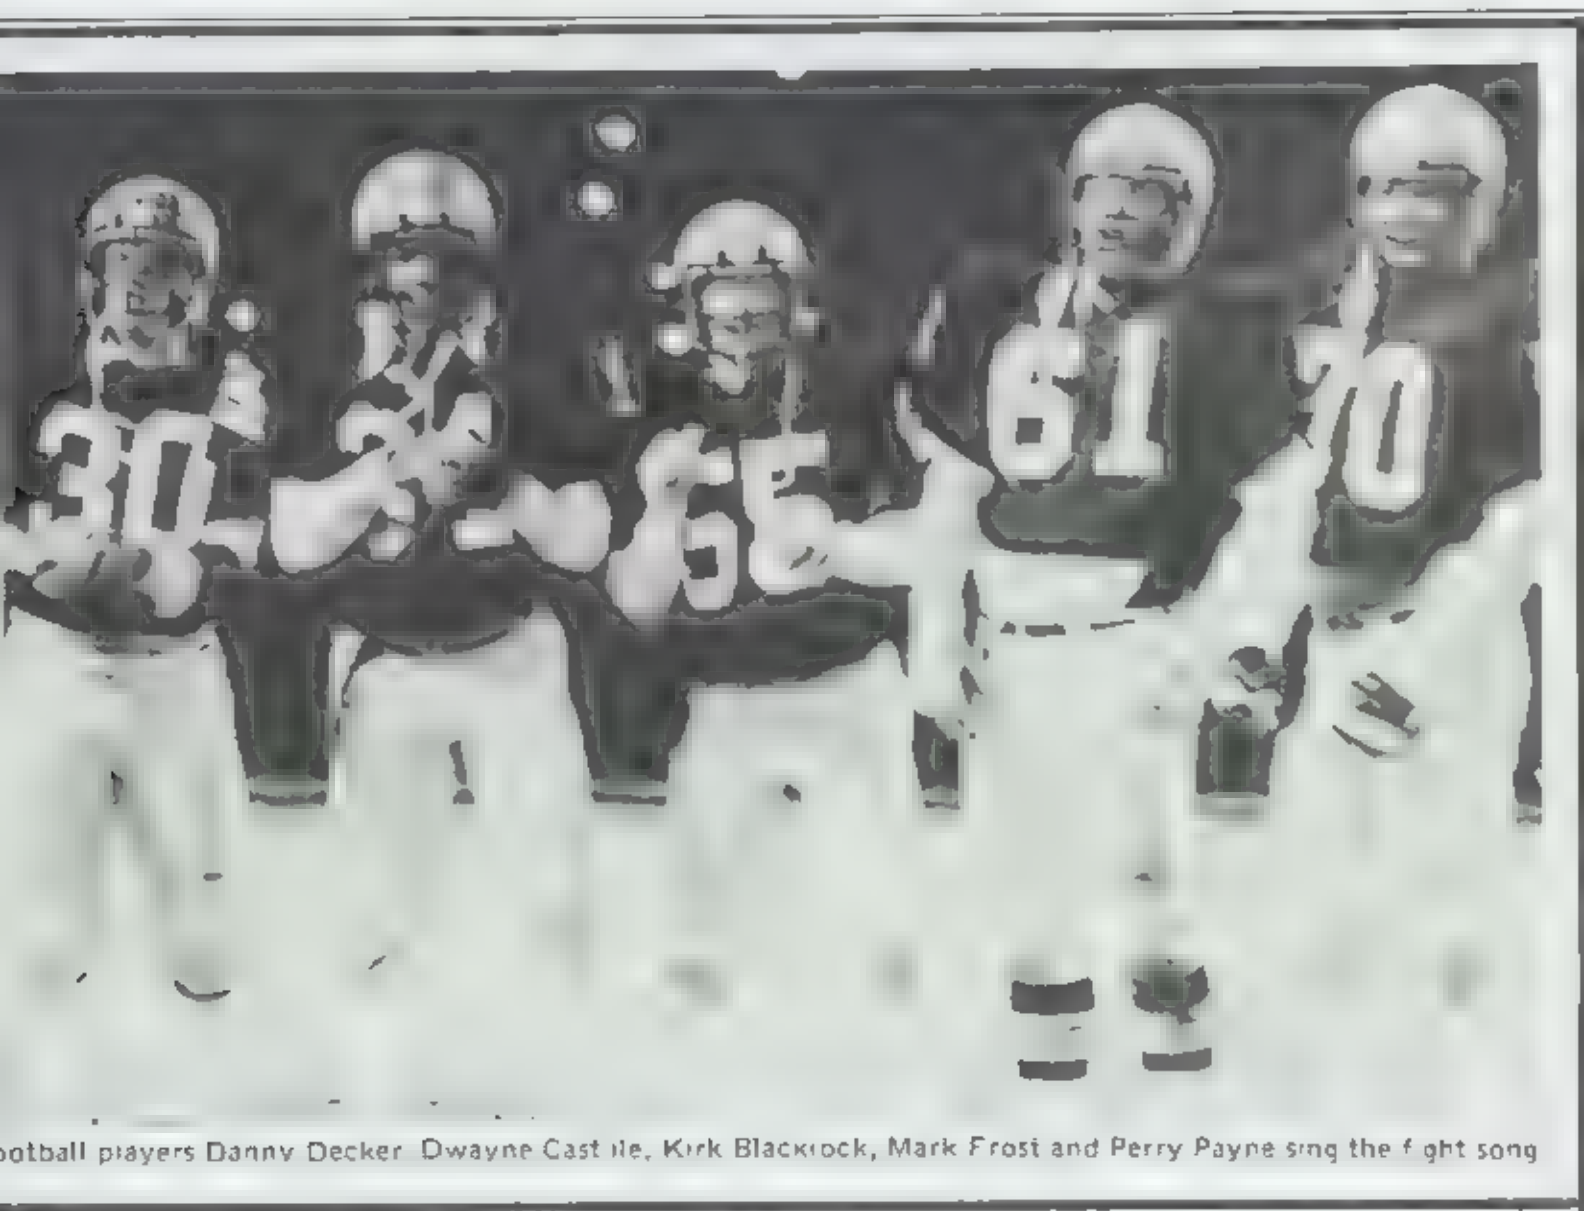

Bowen and Long were also named to the Eagle-Beacon's States top 11 team.

Head Coach Dennis Cavalier said, "I greatly appreciated the support of the student body. I was pleased to notice that they really became involved as the season progressed."

Cavalier was picked as the Eagle-Beacon's State Coach of the year. In his three years at SE, Cavalier has compiled a 33-3 record and his teams have won two State titles.

Coach Dan Johnson said, "The juniors will be a hard hitting ball club next year."

After five games, the sophomores were standing 3-2 in the City League. Coach Mark Templin said, "This year's sophomores are very hard workers. They are potentially a very good class, and their hard work will eventually pay off."

According to Head Coach Bert Helmer, the Buffs worked on executing fundamentals, being good representatives of the school, and getting a good education

Helmer said, "We have a good chance of being in the top four. If we could play five very good games in a row, at the end of the season, we'd have a chance for state recognition."

Gaines said, "I feel we can win the league if we continue to improve and work harder."

The boys' J.V. team went into the fifth game with a 2-2 record.

The girls' basketball team won the second game of the season, beating Northwest 50-41

Paula Cudjo was the only senior on the starting line-up

Head Coach Gary Bricker said, "We will probably finish sixth in the city league, and if we continue to improve we will have a chance of going to state once again.

"I'm very proud of the girls. They are making progress and they are playing better each game."

The J.V. team didn't start the season off as well as they would have liked

According to J.V. Coach Dwan Welty, the girls started young and inexperienced, looking disorganized against East and Northwest. He said that when they played South, the girls "started to get it together."

The girls worked mostly on a 3-2 defense and the man to man defense

Welty said, "I feel the girls are doing an excellent job in developing basketball skills for years to come"

# 'NEW BLOOD'

"Our team will be young, and if we're going to do any good we'll have to work together," said senior Donna Jacobs.

The girls' softball team returned four lettermen; senior Donna Jacobs, juniors Cindy Sayre and Laretta Schultz, and sophomore Lora Heit.

Practice started March 12, but the girls worked out before that, running and lifting weights.

"I'm excited this season because we are going to have a lot of new blood and talent out for the team," said Coach Marsha Olmsted.

The boys' baseball team returned seven lettermen, seniors Mike Clift, Mike Ingle, Jeff Long, Rick Runyan, and juniors Jeff Allen, Mickey Fox, and Albert Reyes.

Over the past five years the baseball team has been City League champions three times, state champions twice, and national champions once. With this record, the team anticipated a good season.

"We really enjoy playing ball for Coach Deckinger. He builds character in us on the field and off. We just try to go out and play our best and have a good time," said Jeff Long, senior.

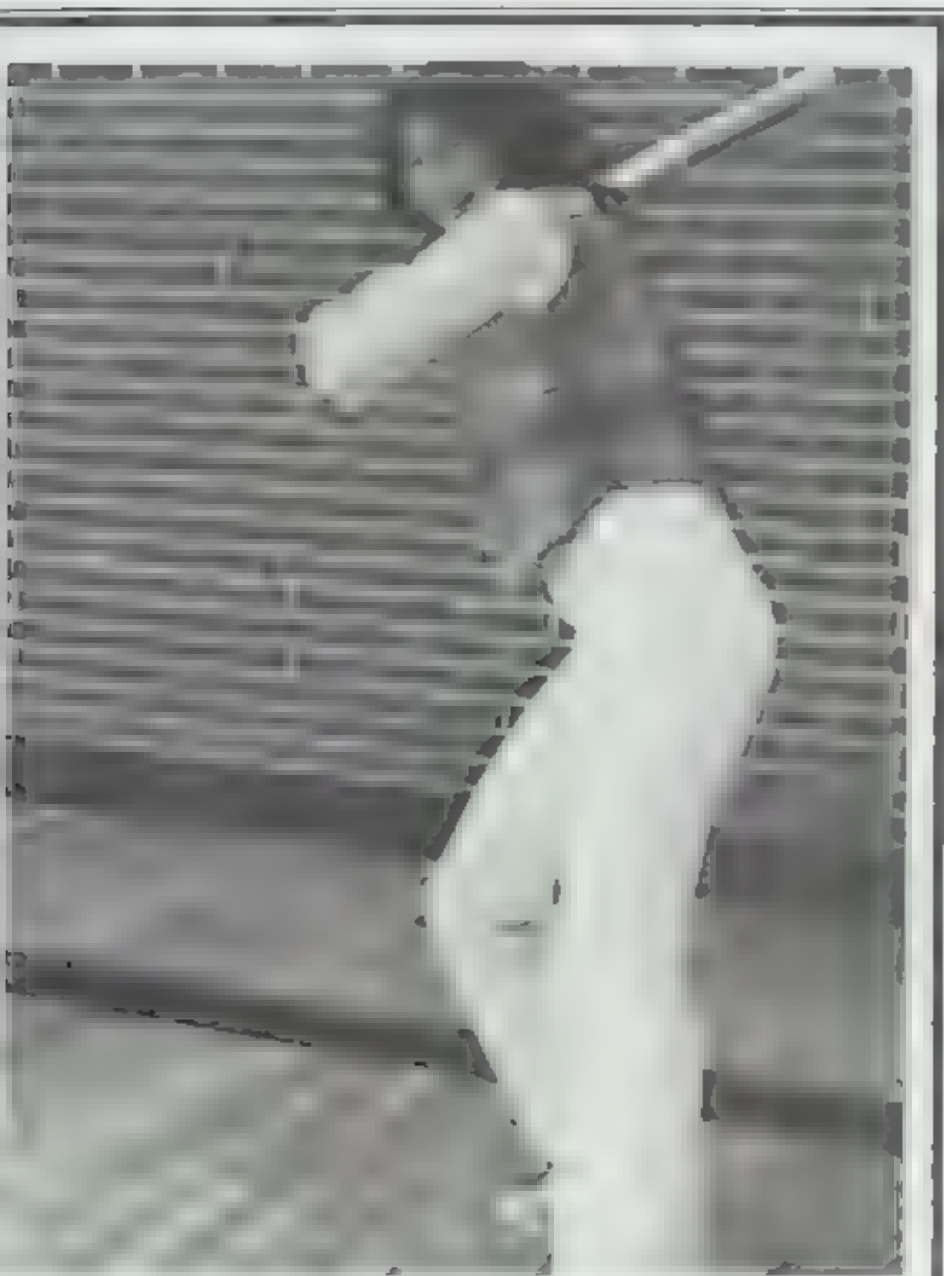

Jim Deckinger said, "Every year there seems to be a new group that has ability and enjoys working and giving of themselves to each other, and no matter what happens to them they have gained from participating and will remember all the good things that happen to a team during a season."

Junior Christina Hopp and sophomore Lora Heit anticipate contact with the ball.

The wrestling team had five returning lettermen: seniors Chuck Alderson, Emith Barton, Bruce Holland, Scott Prior, and Mike Vann

"This is one of the most improved teams we've had in six years and we have the potential to rise to the top," said senior Emith Barton.

According to Head Coach Dan Johnson, Kapaun Mt. Carmel was the toughest competition in the city.

Johnson said, "We're getting a great team effort, and because of that we will become better."

# SWIMMERS COMPETITIVE

The girls' swim team had seven returning lettermen, Anita Aspenwall, Linne Brown, Karen Eskilson, Gina Hall, Judie McVey, Julie Perry, and Kris Richey.

The girls concentrated on endurance and strokes.

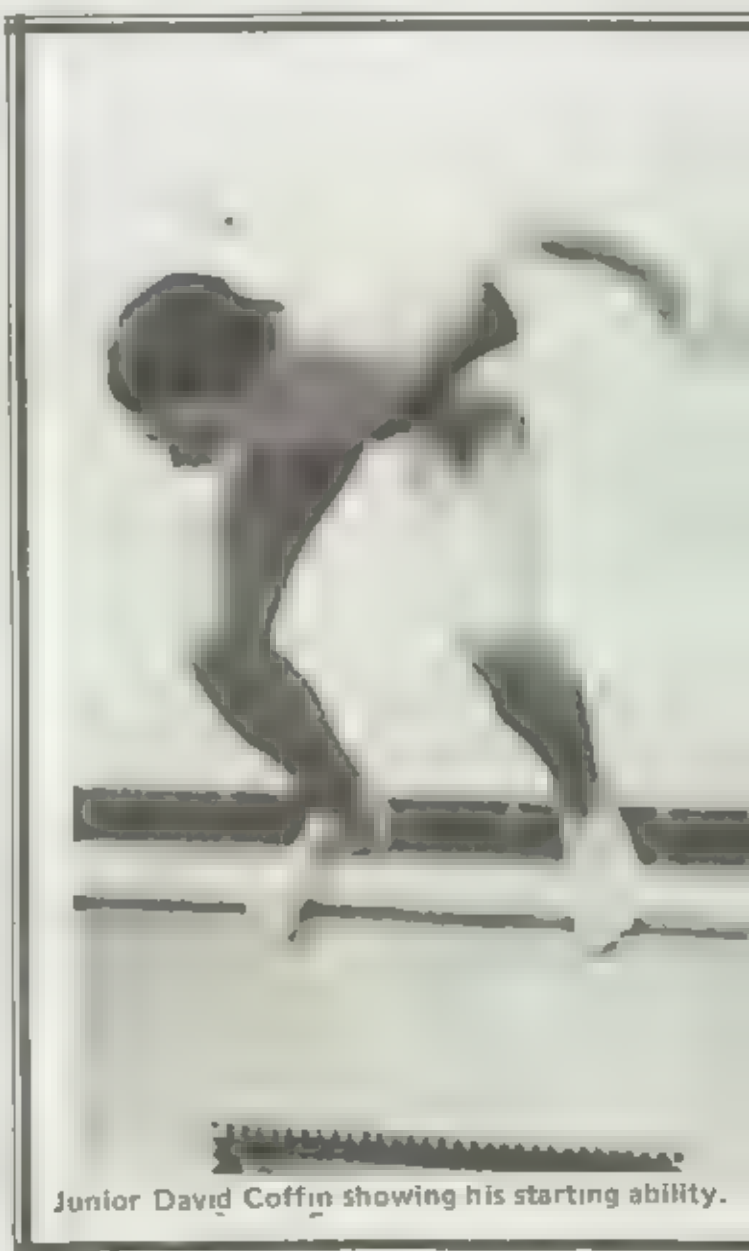

Coach Bob Beckman said, "It's tough to say how the team is going to do. We lost a lot of good swimmers, but there are a lot of new people going out and that could be an important factor. We'll do our best and see how things work out."

The boys' swim team had four returning lettermen, junior Todd Brunner and senior Greg Linhardt, Richard McCroskey, Erik Petersen.

The team practiced every day after school for two hours as well as on Saturdays.

Brunner and McCroskey are co-captains.

The toughest competition was against East and Northwest, and Head Coach Alan Newkirk predicted, "There is a lot of competition in the city but we should do well."

The Girls' Varsity Volleyball Team lacked returning lettermen, but according to Coach Marsha Olmsted, experience in the returning varsity was a big factor. Olmsted said that even though the girls had not won many of their games at the beginning of the season, their skills were improving and they were learning to play better as a team. Olmsted added, "Right now, with city coming up, I think we could defeat some teams we played earlier in our season. That's the attitude we have towards the city. It's a chance to better our current standing in the league and show some teams we are improved."

The Girls' J. V. Volleyball Team was ranked third at the beginning of the season in the city league. Coach Marilyn Morris said, "The weak point of our game is the inexperience of the players."

The Girls' Varsity Tennis Team had one returning letterman, senior Laura Lee. In mid-season they had second place with a 7-1 record.

"We can be co-champs if we win the city tournament. The girls get along very well together. We have excellent squad morale," said Coach Buford Pringle.

The Girls' Golf Team took second in Regionals. Four teams from Wichita went to the State meet: Carroll, East, Kapaun and Southeast.

Southeast had three girls in the top ten: Lori Azim, Gena Harstenstein, and Cherie Wenderott.

"I'm planning on the girls to take fifth or sixth in State," said Coach Jim Deckinger.

# COACHES FEEL HOPEFUL

March 2 marked the beginning of practice for the boys' tennis team, coached by Buford Pringle. Only two of the six lettermen returned this year. Number one man Tim Mahaffey moved to Kansas City putting junior Scott Dawson in his place.

"The team doesn't have as much experience, but they can be as good as last year," said Pringle.

Pringle felt confident the team could win the Regional Singles and Doubles and the East Invitational again this year.

"We think we can repeat being City League Champs."

Returning lettermen were Dawson and Richard McCroskey senior. Other returning squadmen were Brad Bates, Kent Snodgrass, Chris Yoder, Arvind Bajaj, juniors; and Ron Hill and Charles Clemons, seniors.

The boys' golf team, coached by John Dawkins, began practice March 6 at McDonald Park.

The four returning lettermen, Bryan Benson, Sam Silver, Brad Wickham, seniors, and Rob Worsham, junior, were joined by two other players to make up the six man team.

Dawkins felt the team would do well this year.

"Our goal is to take second. If first comes along, that's great. Since I've been here, the team hasn't taken less than second."

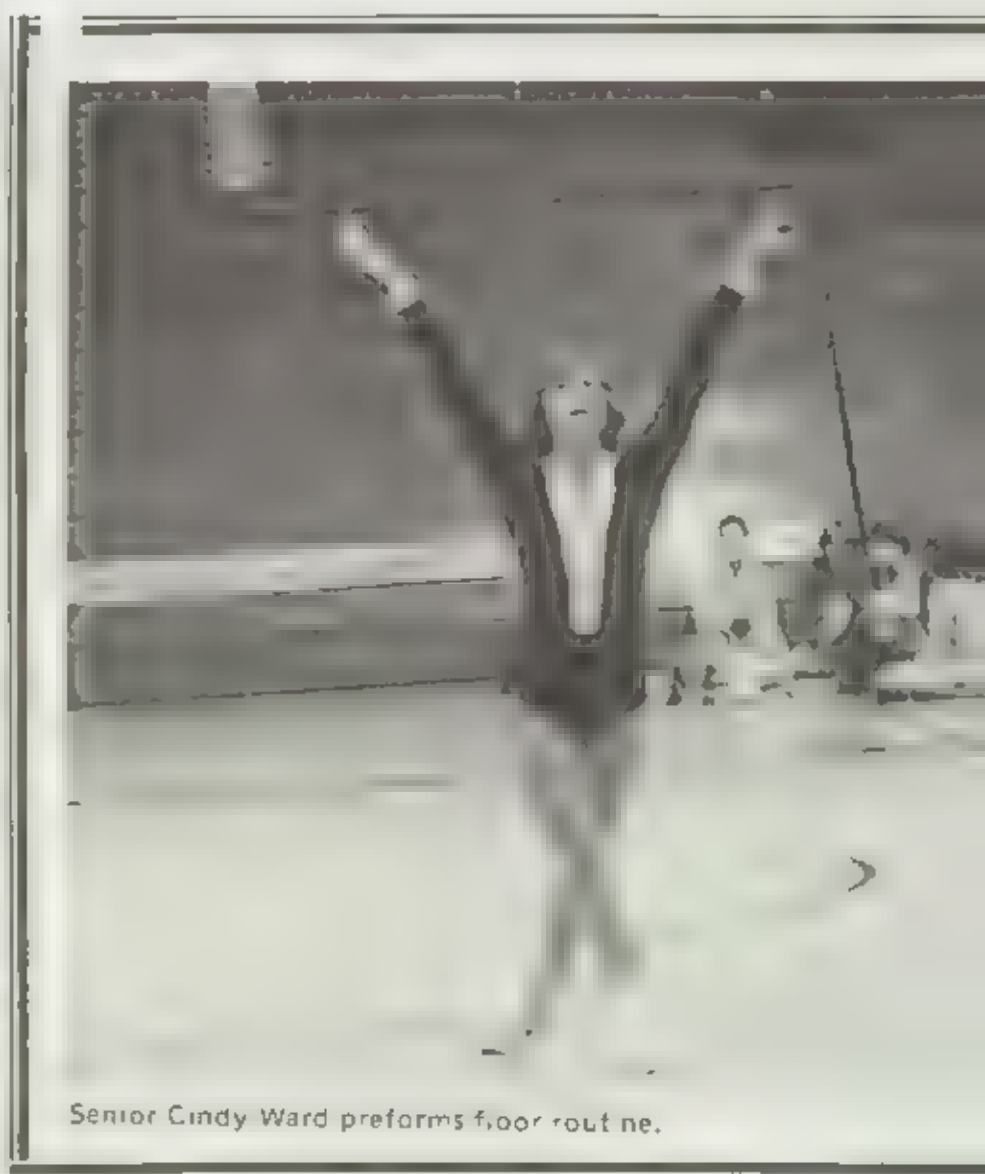

Kapaun-Mt. Carmel was the toughest rival for first, and East and Northwest were thought to be the closest rivals in the second place position.

# GYMNASTS RETURN

The Boys' Gymnastics Team had five returning lettermen Vance Durrington, David Gates, Don Kinnard, Sean Overton, and Mike Pennington

In the dual league standings, Southeast was ranked second after defeating all city teams except South. In the Lawrence Invitational, Southeast took fourth out of 12 teams. Coach Rick Pappas said, "The city competition is the strongest ever in the history of Wichita gymnastics."

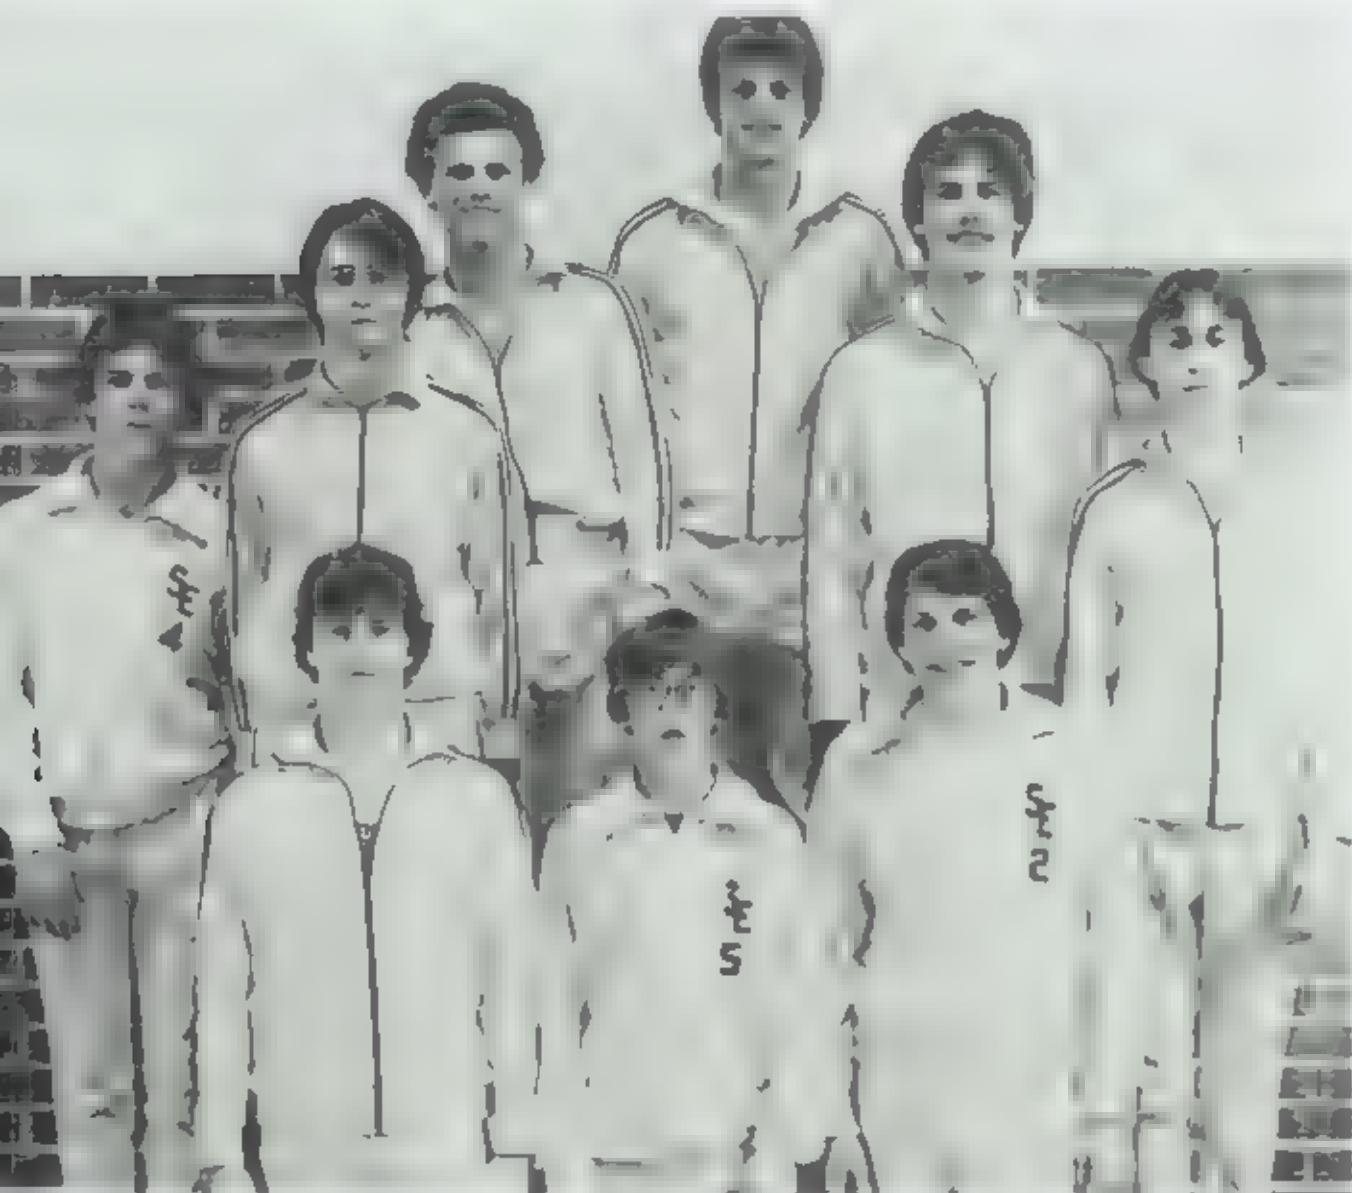

The team's strongest events were floor exercise, pommel horse and vaulting. "Pennington was the best tumbler in Southeast history. Durrington has been the top performer for us on the pommel horse, and on vaulting, Kinnard and Pennington were the strongest," said Pappas

The Girls' Gymnastics Team had three returning gymnasts, juniors Kelli Shibley and Molly Stout and senior Cindy Ward. Their strongest events were the Vault and Floor and their weakest events were Bars and Beam

In the beginning of the season, they were 1-1, with a chance to end up second or third, said Coach Doye Ward

The leading gymnasts were Kim Brosius, All Around, and Margaret Jones, Bars

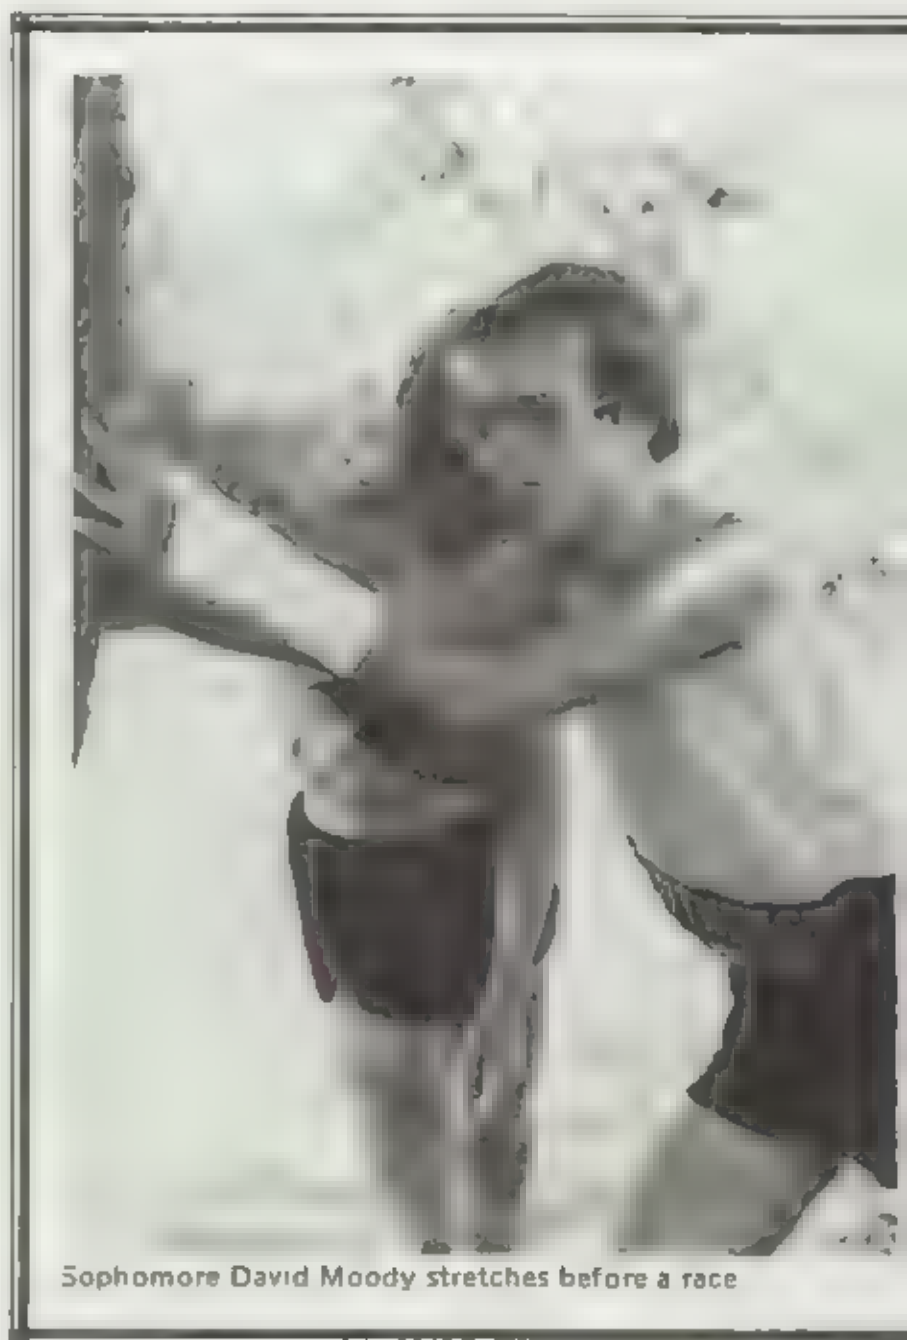

Coach Ward said, "The advantage to this year's team is that I have 14 out for the team and I don't always have to compete the same girls on the same event."

The boys' track team anticipated a good season with 14 returning lettermen. They were: Victor Brown, Bill Caldwell, Britt Hopper, Ron Johnson, Eric Kauffman, Chris Kinchion, Randy LeBaron, Jorge Lizarralde, Mark Newby, Jeff Nobel, Ed Ritchie, David Sanchez, Kent Selby, and Russ Tibbitts.

Head Coach Floyd Bayer said, "We should have a good, well-balanced team and should be able to score in each event. We have set state records in the 400 meter relay for the last three years. We won the city track championship last year."

The girls' track team looked forward to a good season. They had seven returning lettermen: juniors Donna Carthen, and Veronda Martin, and seniors Rochelle McDowell, Paula Cudjo, Sharon Gaither and Stephanie Philip.

"I think we have a chance to take the city championship and to set a goal to be ranked in the national time in the first ten" said Cudjo.

## TITLES TAKEN

The Cross Country team had five returning lettermen: sophomore Steve Chippeaux and seniors Ron Johnson, Jorge Lizarralde, Russ Tibbitts, and Stephanie Philip.

The team took first in City, Regionals and State Competition. Chippeaux, junior Mike Howe, Jorge Lizarralde, sophomore David Moody, sophomore Bob Rowan, sophomore Rob Smith, Tibbitts, and Stephanie Philip ran in the State Championship.

The team averaged around 50-60 miles of running a week to train for a meet.

Head Coach Floyd Bayer said, "Southeast had a young team, five seniors, one junior and eight sophomores. We should be a very strong team next year. Of the nine runners who were sent to the state meet, only three were seniors."

The soccer team had 14 returning lettermen.

Eight years ago there were only six youth soccer teams in Wichita, but this year there were over 350 teams.

Head Coach Larry Stockton said, "Many of our players graduated last year, and it is quite evident that we will have a big change in our personnel, but as is evident from our returning players, we have enough experienced players to form a very competitive team even if we were to pick up no new players."

Stockton also added, "We will have a different look, but one of the biggest plus marks we can have is our attitude of carrying on the winning tradition of our school. Our aim is to repeat as City League champions."

We're the golden Buffaloes, we fight until we win,  
We are the mighty golden Buffaloes, and we will not give in —  
Rah, Rah, Rah!

Fight for the gold and fight for the white,  
We will be the victors tonight,  
We'll win the game because we're the greatest from Southeast  
High

We're the golden Buffaloes, we fight until we win,  
We are the mighty golden Buffaloes, and we will not give in —  
Rah, Rah, Rah!

Let those foes come, we'll watch 'em fall,  
Southeast High will win over all;  
We'll win the game because we're the greatest from Southeast  
High.

It was nice having you

worry about that anymore.  
You were probably at school as often  
as I was. Good Luck Always,

Michell,

Mike

Mitchell,

I am having a big boy writing. I should  
have room to write and this pen is getting  
dull so you might not be able to read it.  
(you might not be able to read it anyway! HA!)  
This year has gone by so fast I  
can't believe it. Summer is finally  
here! I am going to have  
a great time this

[illegible]

P.S. Remember: Don't  
+gangs of men get in  
r house + put lice +  
n your bed!

P.S.S. Also keep in mind— If your life revolves around Goodlooks, being sexy, + Discodancing you won't make it in the REAL WORLD!!
